Suzo International Acquires Sadectronic, S.A.

Oud Beijerland, The Netherlands, June 7, 2006 - Suzo International is pleased to announce the acquisition of Sadectronic, S.A. in Madrid, Spain. Sadectronic, S.A. is a parts distribution company within the Gaming and Industrial markets. The combined company is the global leader in the manufacture and distribution of amusement and gaming parts and accessories, with over 400 employees in 15 locations serving customers in over 80 countries. Pfingsten Partners is the majority shareholder. Sadectronic, S.A. will change its name to Suzo Technical Components Espana S.A.

"Broadening our distribution capability in Southern Europe, while having a local presence in the Spanish market, was a key strategic move for the business," says Jim Norton, Managing Director of Pfingsten Partners and Chairman of Suzo-Happ Group. Marcel Oelen, Managing Director of Suzo International added, "Our Madrid based organization is centrally located to meet the needs of the entire Spanish market. The Madrid based employees are a talented team of professionals with excellent technical skills."

"The Spanish market has unique product requirements which the Suzo Happ Group will be able to supply in Spain", noted Pedro Garcia, Managing Director of Sadectronic, S.A. "Joining the Suzo-Happ Group will enable Sadectronic, S.A. to access the additional resources provided by their worldwide manufacturing, distribution and service organization".

About Suzo International

Suzo International, founded in 1955, supplies systems and components for the amusement, gaming, vending and industrial markets. Suzo also develops and manufacturers' proprietary products under the STC brand name. Headquartered in The Netherlands, Suzo's distribution facilities throughout Europe and South America are well positioned to meet the needs of its international customer base. About Pflingsten Partners

Pflingsten Partners is an operationally focused private equity firm formed in 1989. From its headquarters in Chicago and offices in ChangAn, China, and New Delhi, India, the firm builds better businesses through operational improvements, professional management practices, global capabilities and profitable business growth rather than financial engineering. Since completing its first investment in 1991, Pflingsten Partners has raised four funds with total commitments of approximately \$1.0 billion, and has acquired 86 manufacturing, distribution and business services companies. The firm is currently investing Pflingsten Partners Fund IV, a \$525 million fund activated in January 2009. For more information, visit www.pflingstenpartners.com.
