**Chicago, Illinois - September 3, 2014**

Pfingsten Partners, L.L.C. (“Pfingsten”) announces that an affiliate of its portfolio company, Unified Power Holdings, L.L.C. (“Unified Power”) has acquired United Power Service Company (“UPSCO”) in Glenmont, OH. UPSCO provides critical maintenance services and equipment for uninterruptible power supplies, battery systems, backup generator units, and other critical power sources.

“UPSCO is focused on ensuring our customers’ critical power needs are promptly addressed with the highest quality of service. The Unified Power partnership broadens our footprint for our uninterruptible power systems and critical power service offerings” said Robert Kurant, UPSCO President.

This is Unified Power’s second strategic acquisition since Pfingsten became the majority shareholder in January 2011. The transaction is part of Pfingsten’s strategy to create a leading national, independent service provider for the critical power industry, offering a full range of preventative, remedial and emergency maintenance services, batteries and associated critical power equipment.

“Our partnership with UPSCO will leverage the strengths of both companies to better serve customers and to drive growth in the independent uninterruptible power systems service market,” said Robert Parrish, Vice President of Channel Development at Unified Power. “UPSCO’s 25 year reputation is strong, making us confident that our customers will continue to receive the highest level of care.”

The transaction was completed on August 1, 2014. To learn more about Unified Power or UPSCO, visit [www.unifiedpowerusa.com](http://www.unifiedpowerusa.com) and [www.upsco-ohio.com](http://www.upsco-ohio.com).
